2014 WA State Lean Transformation Conference Presentation Handout

Tue, 01/13/2015 - 14:12 — Chris

Lean - Why is it Important & How Does it Work?Lean can be an integral part of a continuous improvement minded culture. Learn how Lean fits into the “way of getting things done”. We will talk about the origins and principles of Lean, how Lean complements other continuous improvement methods, and the importance of the scientific method for systematically evaluating, innovating and improving the “way” we do business. We will use quick exercises, videos and discussion for an engaging conversation that will leave you excited and energized.
