Runtime issues, Support Form failed

Fri, 08/14/2009 - 09:18 — sfiore

All,I am very interested in this product and ran into an issue where the add-in remains in a 'inactive' state.Error upon the load is what is being given under the Trust Center.I attempted to draft a support request via the online form, but receive a failure stating e-mails are incorrect.Your assistance would be appreciated.
