Ceptara's Organizer is an Outlook 2007 or later add-in designed to help you achieve greater personal effectiveness by focusing attention on your personal objectives through the creation and management of projects and tasks.

A FREE fully functional 45 day trial can be downloaded. A registration screen will be presented periodically until the end of the trial period and then every time Outlook is started until the add-in is purchased or uninstalled.

System Requirements

The Organizer for Outlook 2007+ works on PCs running Windows XP or Vista and Microsoft Office Outlook 2007.

Getting Started Guide

The Add-in is built on concepts embodied in the Seven Habits of Highly Effective People and the GTD methods. Read the [Getting Started Guide] [1] to get started quickly with the tool!

Feedback

Support requests will be responded to within 48 hours of the report. Support can be found in the Add-In by opening the Project Explorer and clicking on Help-Support Request, or by contacting us through the website contact [form] [2]. If you have a feature request or feedback, please submit it through the Support Request in the Add-In or through the website.
