Support for ISO-Latin-1 characterset in Projects List

Tue, 11/23/2010 - 03:13 — olivier.zaech

When entering a project name with "special characters" from the ISO-Latin-1 alphabet (cf. codepage 1252, ISO-8859-15, Unicode), the names get displayed wrongly in the "Projects List". Will this be fixed in some future version? -olivier
