Lean Six Sigma Green Belt Certificate Information Session

Lean Six Sigma techniques help professionals in any type of industry transform their organization into a leaner, more efficient business. The program also helps prepare participants to test for Green Belt certification. We'll discuss getting started and the program requirements (core and elective classes). Registration required [1].

This session taught by Chris Lindstrom [2]

One night only - Monday, December 13th from 6-7:30pm
