I deleted Project Folder from Project Explorer - deleted all the data in Toodledo, but deleted projects are still showing up in Toodledo and I am getting following
message: 2011-01-05|12:02:28|Vipan|3.1.1007.2|Warning: Folder/Project name changed via the server for Project: '01 - T' folder name: '01 - T', did not update Outlook to assure objects stay connected to the Project.
