Registration not permanent

Thu, 01/20/2011 - 14:59 — johne
Hi,

I have registered Outlook Organizer and am having trouble with registration. I can enter my username and password and it registers, but the following occur:

1. I enter my details and it says it is registered but the Organiser pane says its an unregistered version

2. The registration does not 'stick'. This morning I reopened Outlook and it is indicating as unregistered.

Appreciate your advice

Thanks
John
