

alternative to sync other then exchange?!!! needed!!!

Wed, 05/25/2011 - 07:52 — jupp25

hi chris,

you said you where thinking about to save the project information somewhere else then in a hidden mail object in the inbox. Any success yet?

if not, ist there a way to at least copy the project setup, or make a backup of the desktop and restore on the laptop?

that would realy help!!!

thanks and greets from germany

chris
