'My Organizer' : Mouse doesn't work on the Calendar view, no right click context menu.

The 'My Organizer' view in Ceptara's Organizer for Outlook makes use of Microsoft's Outlook View Control (OVC). In Outlook 2010, there have been reported issues with OVC including "the mouse does not work in Calendar view". Microsoft issued a [Hotfix] [1] KB2511230 that fixes that and other issues. Please review the KB article and install it if your installation meets the requirements,
