

Personal Excellence Workshop

Fri, 04/10/2009 - 15:59 — Chris

High Performing People create High Performing Teams

- Successful team efforts require individuals to be highly motivated and self managing
- People can develop the necessary skills by focusing on their foundation, work organization, and action execution

The Personal Excellence workshop is targeted at individuals motivated in discovering better ways to achieve life balance and demonstrate excellence in every facet of their life, professional and personal.

The workshop will help you to:

- Discover and articulate what's important to you.
- Understand life's pressure points and identify methods to clearly articulate the goals and projects focused on creating balance
- Identify daily organizational techniques that help you focus on your goals and manage the firestorm of activities and expectations

Some participant comments:

"I really enjoyed how you condensed the two books down into a workable system." "I was impressed by the diagrams you used to connect goals, projects, and tasks and their relationships."

"The methods discussed can double my productivity, I'm not one to pass that up."

The Workshop includes:

- Workshop booklet and worksheets
- The 7 Habits of Highly Effective People
- Getting Things Done: The Art of Stress Free Productivity by David Allen
- A copy of the Personal Organizer 2007 Outlook [Add-in](#) [2]
- Lean Six Sigma Black Belt Instructor
