Outlook hangs constantly

Wed, 05/20/2015 - 16:03 — sbrock

Outlook hangs several times a day when FocusMe is active as a plug-in. This is killing my productivity. It rarely comes back, and if it does, it can take up to 5-10 minutes. I usually have to kill it in Task Manager and then restart it. I have about 2 dozen projects and hundreds of tasks.

‹ Can we use the roles in the tasks? [1] Trying to update to the Jan 2015 versions and getting following error message › [2]
