WA State Lean Conference: Excellent Organizations have Excellent People Handout

Fri, 10/09/2015 - 08:34 — Chris

Lean and Six Sigma methods have numerous tools that help organizations and teams find more efficient and effective ways to operate. However, Lean and Six Sigma have no tools that help individuals achieve the same. Learn an approach that will help your people engage, envision, and execute more effectively.

This is the handout from the talk Chris gave in Tacoma on October 20th, 2015 at the WA State 2015 Lean Transformation Conference.
